Innovative natural product solutions for pest management

Serenade[®] ASO EPA Reg. No. 69592-12

SUPPLEMENTAL LABEL

For Use on Rice (Includes a use not previously printed on the container label)

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling. For any requirements specific to your state or tribe, consult the agency responsible for pesticide regulation.

Crop	Disease	Rate Qts./A	Application Instructions
Rice	Sheath blight <i>Thanatephorus cucumberis</i> (Anamorph: <i>Rhizoctonia solani</i>)	1 - 6	Begin applications when environmental conditions and plant stage are conducive to disease development. Repeat at 7- to 10-day intervals or as needed. Use higher rates and shorter application intervals under heavy disease pressure.

See label attached to the container for First Aid, Precautionary Statements, Restrictions and Directions for Use.

This labeling must be in the possession of the user at the time of pesticide application.
